

Book your desk on Kadence before going to the office!

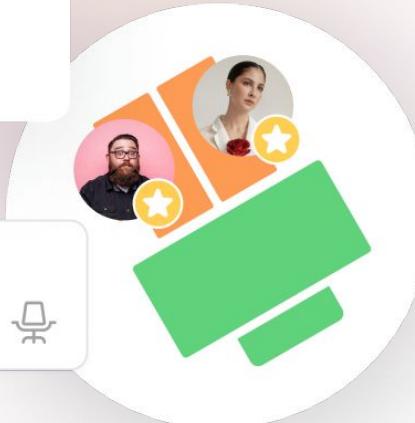

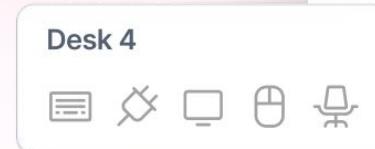

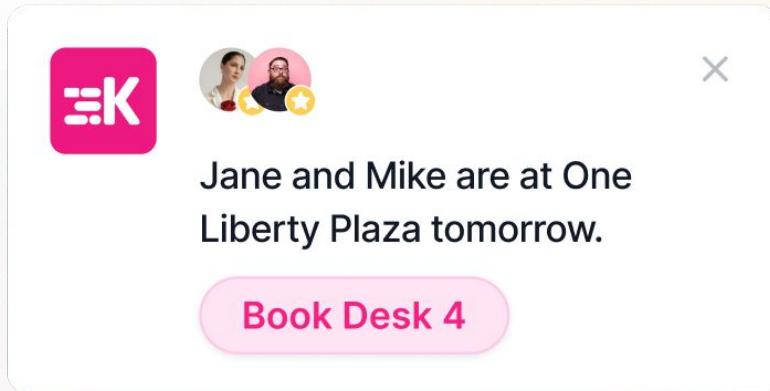

The image displays the Kadence app interface across three devices. On the left, a smartphone shows the home screen with a 'Book a space' button and a bar chart for desk availability. In the center, a larger screen shows a floor plan for 'Salt Lake HQ' with desks color-coded by availability (blue, green, orange) and user icons. A callout box on the floor plan indicates that 'Anna, Michael and Jane are in the office on Wednesday.' On the right, a tablet shows the same floor plan with a 'Book Nearby' button. At the bottom right, there are download links for the App Store and Google Play, each accompanied by a QR code.
